

# School Board Games Club Membership Program

## Why Join the School Board Games Club?

Board games are an excellent tool for developing critical thinking, teamwork, problem-solving, and social skills in students. Our **School Board Games Club Membership** provides schools with a structured and engaging way to introduce students to the world of board gaming, fostering a fun and educational experience that encourages learning beyond the classroom.

## Membership Benefits

By joining the **School Board Games Club**, your school will receive:

- **Starter Pack of 5 Games** – A curated selection of engaging board games to kickstart your club. Additional copies available for purchase.
- **2 New Games Delivered Each Term** – Based on school feedback, ensuring games align with students' interests.
- **School Board Games Club Facilitation Guide** - A written guide on how to facilitate your school's club, with options for running it: During Lunch, During Class or After School.
- **Discounted Replacement Copies** – Access to exclusive member pricing on replacement or additional copies of games.
- **Written Teaching Guides** – Detailed guides for each game, helping staff easily integrate them into lessons or club activities.
  - Check out a FREE example for Carcassonne - <https://docs.google.com/document/d/1fHe5AwX312VGJcs5zXf6oJa6GqcURp-R-NhFFw6s6dA/edit?usp=sharing>

- **Online Teaching Sessions for Staff** – School staff can participate in training sessions to learn how to effectively teach and facilitate each game.
- **Inter-School Online Competitions** – Up to 3 opportunities per term for students to compete against other schools in a structured online format.
- **State Championship Events** – Free entry for up to 8 students per school at state-level competitions. Additional entries may be purchased if capacity allows.
- **National Championship Events** – Free entry for up to 8 students per school at national competitions. Additional entries may be purchased if capacity allows.

## Who is this Program For?

Our **School Board Games Club** is designed for **high school and upper primary school grades**. Schools can specify their preferred grade range, and games will be tailored accordingly to ensure the best fit for their students.

## Why Board Games?

Board games offer a unique way to engage students in strategic thinking, collaboration, and problem-solving while promoting social interaction and communication skills. Our program provides a structured and exciting way to integrate these benefits into your school environment.

Think of this program as the modern evolution of Chess and Debating programs.

## What Games will we Receive?

Each new member school will receive the same **Starter Pack** of Board Games. The **Starter Pack** is a collection of **five games** that are great introductory or “gateway” games into the world of modern board gaming. Each game will show off a different ‘type’ of game, in order for Students to experience a wide range of game mechanics. Three of the games will be relatively easy to teach and pick up, while two of the games are included as a teaser for those students who want something a bit more complex!

The current **Starter Pack** games will be selected based on nominated grades participating in your school.

***\*Starter Pack games are subject to change - Depending on stock availability at the time of each Term Deadline***

Then each subsequent term, member schools will receive **Two** additional games to add to their collection. The selection of the two games will be determined based on feedback we receive from your school using a form that will be sent out. The purpose of the form is to identify if your school would like games that are longer, shorter, easier, harder, similar or different etc to the games you have already collected.

## Annual Membership Pricing

- **\$2,000 AUD + GST per year** (Paid Up Front, Renewed Annually)

**EARLY BIRD OFFER: Receive a 15% Discount on your Membership if you pay your invoice by May 31st 2025. Save \$300!**

### **Why does the program cost what it does?**

We want to emphasise that your school is not signing up for the program just to buy board games from us! Your school is signing up for a structured, nationwide program that is designed with the goal of helping schools build board gaming communities internally and connect with other schools in the program through online and in person competitions and events.

We do not just send you the games and leave you stranded to figure out the rest. The SBGC program will include resources and the opportunities to communicate with us directly about how to best operate the program in your school, teach the games and manage both a fun and competitive spirit in your club!

### **When does our school have to register?**

You can register your school for the program at any time! However, each term will have a deadline for new members to receive their first pack of games the following term. The next registration deadline is:

**Term 1 2026 Deadline - December 5th 2025 (No Payment until the Deadline!)**

### **When does our school have to pay by?**

As long as your invoice has been paid prior to the next Term deadline, you will receive your Starter pack the next Term!

### **Join Today!**

Give your students the opportunity to explore the exciting world of board games while building valuable life skills. **Sign up now** to become part of the **School Board Games Club** and bring the power of play to your school!
